“Project 10 is the Gay-Straight Alliance (GSA) at CRLS. P10 is a safe haven and support network for gay, lesbian, bisexual, transgender, questioning and straight supporters. P10 is a place to talk, have fun and provide a sense of belonging; a way to raise awareness of GLBTQ issues in the community; and a place to come and be YOU. All students at CRLS are welcome to join regardless of sexual orientation or gender identity. Some yearly activities include: National Coming Out Day Assembly, Informal round-table discussions about issues facing the GLBT community, Day of Silence, Field Trips...”
